BLINDQUIP THREE YEAR PRODUCT AND WORKMANSHIP GUARANTEE ON BLINDS

MANUFACTURED BY ALUVERT IN JOHANNESBURG

Blindquip maintains very stringent manufacturing techniques to offer a high quality made to measure blind. We are also constantly assessing components and material to improve the workings of our blinds.

Blindquip guarantees that blinds manufactured by us will have no defects in raw material and factory workmanship for a three year period, from the date the goods are dispatched.

(Please note: Some fading/discolouration as well as slight warpage may occur over time with Basswood /Plaswood blinds and this is not considered a defect.)

Blindquip will repair or replace defective blinds (at its discretion) and will cover the cost of all labour and materials. Defective blinds must be returned to Blindquip before a repair/replacement will be considered.

This guarantee does not cover

- Misuse of the blinds or faults as a result of incorrectly installed blinds.
- Normal wear and tear on the product.

Blinds Maintenance

- Use duster regularly and no chemicals are recommended.
- Use of blind cleaner

Kindest Regards,
Management
